

# GLOBAL CHAPLAINCY CENTER

(An authorized Training Institution of  
Chaplaincy Training Institute)

A modern-day chaplaincy that trains and deploys  
people into their communities.

## Chaplains

Our chaplains are Christians who serve with a love for  
humanity. They are committed to sharing the love  
and compassion of Jesus with all people  
groups regardless of religion, culture, race,  
economic or social status.

## Spiritual Care Practitioners

We engage in various sectors of the community where  
we care for every-day spiritual needs, especially in  
time of personal, family, or community crisis.

## You Can Make a Difference

At Global Chaplaincy Center, we equip you to make a  
difference in the lives of people.

## Your Chaplaincy Training

You will complete a 20-hour book and video training  
program that introduces you to a broad spectrum of  
traditional and non-traditional chaplaincy  
opportunities.

In your program you will:

- Explore the theoretical and operational components of chaplaincy;
- Learn from experienced chaplains with real world experience;
- Learn protocols for your chosen field of chaplaincy;
- Understand important principles of basic spiritual counseling;
- Learn communication techniques that are useful when dealing with police, prison and other emergency services personnel; and
- Become aware of pitfalls and how to avoid them.

In addition, Global Chaplaincy training provides instruction in practical theology, character principles, and how to become an ambassador of spoken blessings.
